Our increased patronage of the last few months indicates to us that the St. Louis public is beginning to appreciate our oft-repeated assertions regarding the saving of money by purchasing pianos of us. We prove conclusively to every one taking the trouble to visit our warenoms of the truth of these statements; low expenses and small profits has always been our motte; 34 years in business in St. Louis.

BEYER'S. Seventeenth and Locust.

\$75.00 SAVED, \$75.00 EARNED. An old and true maxim is the above, but in reality how much better to feel that it is true. Any plane in our stock of new uprights would cost you elsewhere 175 more than our price. To prove it, visit our beautiful warerooms, study our location, then the secret of our low prices is out. Terms as easy as anybody's, too!
